The apostle Paul shares these words in 1 Corinthians 3, “I planted the seed, Apollos watered it, but God has been making it grow. So neither the one who plants nor the one who waters is anything, but only God, who makes things grow. The one who plants and the one who waters have one purpose, and they will each be rewarded according to their own labor. For we are co-workers in God’s service; you are God’s field, God’s building.

The scriptural text gives us a powerful understanding of spiritual alignment. God has given each of us a purpose with one goal in mind to bring people into relationship with Him. God has presented the Carmack Church family with amazing doors of opportunity to make an impact in the community. We’ve been called to provide water and snacks to the summer camp kids at the Boys & Girls Club, we’ve accepted the challenge to take VBS outside the four walls of our building into the community & we’re hosting the first ever Mental Health Summit on our church campus to help bring resources to those suffering in our community. All of these efforts are only possible through the alignment of God’s people to be co-workers in God’s service.

The challenge before us now is to do more and make a greater impact through growing our children’s ministry, creating a stronger presence in the schools & investing in the spiritual development of our young people. With God’s help all things are possible!

Carmack Mid Year Recap

We have been aligning ourselves with God, our church family and the community all year long. We started the New Year with **New Years Day at Carmack**. We worked to align our marriages with God and 40+ couples at the **Covenant Marriage Retreat** in February.

We had a great Easter Weekend growing together & serving the community with a **Clothing Giveaway, Feeding the Multitude & a Easter Egg Hunt** all in one day. In April the youth went to Gatlinburg for the **TN State Youth Conference**. We provided lunches to several of the area schools for **Teacher Appreciation week**.

We celebrated our Pearls with a **Mothers Day Brunch** with food, games and prizes! June has been busy as we celebrated dads with a **Fathers Day Breakfast**, games and gifts! We also had two weeks with 30 Kids at the **Summer Excel Camp!**

Thank you for joining in our commitment to make our new building addition a reality! The plan to expand our campus is within reach & the excitement is growing. We're working through adding 5,000 square feet of upstairs & downstairs space to serve our ministry needs. This addition will give us space for everyone to join in together, we'll redesign the education area for our young people & create a more ideal set up for our adult classrooms. This investment will bless generations & make a significant impact in our community. We're moving close to our goal & appreciate your faithful giving.
